

# Dhruv Tara Teacher Training Program

*We believe. We Can.*

Here's an interactive training program specially designed to help teachers become adept in content, teaching techniques and methodologies and get hands-on experience with some advanced Teaching Learning Materials designed by us.

'Teaching is the one profession that creates all other professions.'  
So, if you're a teacher out there who thinks of bringing positive change in the community you teach in, join us in this training program and we will support you meet your vision.

**First batch starts from : February 1, 2023**

## Participation Certification

On the successful completion of the training program, you will be entitled to a certification\* by GWER.

## Increase your chances of being hired in a teaching job

Your chances of being hired by GWER and other organizations will boost after the successful completion of the training program and based on your engagement.

## Continuous support for private coaching at home

You will join a GWER supported expanding network of community teachers who will work together to provide quality education to children coached by you at home and will have access to a vast range of Teaching Learning Materials (TLMs) developed by GWER.

***What will you get?***

- This certification is offered by 'Greenworld Education and Research'. We have no affiliation with the National Council for Teacher Education. This certification is not recognized by Government or Government aided schools as basic teaching qualification. This programme is suitable for upgrading professional skills of existing B.Ed/ D.El.Ed Degree as well as for graduates interested in entering education field.
